Sub: Feedback on the CRISIL grading

Dear Mr.Kedar

Greetings!

I wish to inform you that the following is the feedback on CRISIL grading, which was taken up by CRISIL for MBA-ITBM Program offered at SCIT.

The feedback given **must not be taken as a fault finding process**, rather a honest feedback is being given to ensure that the grading becomes still better

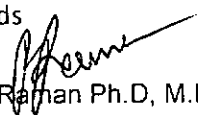

Negative

1. We feel that the fee charged by CRSIL is on a higher side
2. There must be proper communication from CRISIL , asking us on the key people to be interviewed / interacted at SCIT
3. The team size can be increased to ensure that the process takes lesser time

Positive

1. I must tell you that the grading by CRSIL was certainly unbiased and genuine!
2. The team who came to audit were well experienced and authentic
3. The parameters that were considered by the CRISIL team , to judge a process were very apt

Regards
