CRISIL GRADING OF OUR PGDM PROGRAM

We are delighted to report that our flagship program – PGDM (Triple Specialisation) which we have been offering for last 20 years, has been graded by CRISIL recently. The grading exercise process has been done by CRISIL in expeditious manner, no sooner we contacted them and furnished all the information required. Their professional team landed and dedicated full time for two days in interacting with all stake holders – starting from top management down to students. The interactions were professional, non-intimidating and friendly without hurting any body. They were more helping in highlighting the required areas for improvement. CRISIL has also provided us opportunity to seek clarifications on different parameters.

We are happy with the rating given basing on our performance under different heads and identifying and intimating the areas that need to be improved.

Best wishes to them in their profession.

Prof. (Dr.) V.G. Chari
Director-Academic
